

MANUAL LUMA 2

CEILING- OR WALL-MOUNTED, FREE-HANGING

■ A heavy-duty, spring-roller projection screen, the wall- or ceiling mounted **Luma 2** presents an attractive yet practical choice wherever a large manual screen is needed. The Luma 2 is simple in design, yet engineered with heavy gauge components to provide years of dependable operation.

Spring-roller operated screens for simplicity of operation and no wiring set-up or cost. Free-hanging, fiberglass-backed projection screens maintain flatness thanks to the weight of the screen and bottom dowel.

FEATURES

- High-quality, spring-roller projection screen can be wall- or ceiling-mounted.
- Steel case with scratch-resistant white polyester finish with matching endcaps. Black finish available upon request.
- Endcaps form universal hanging brackets for attachment to wall or ceiling.
- Ceiling trim kit available for recessed installation

WARRANTY
